

Creeping In The Dark (feat. Jungle 70)

Majestic

Oi, hear the bassline
If you're buzzing show me a sign
From the underground we get deeper
It's a London style, it's a creeperCreeping in the dark with no fools
Dance how you want 'cause there is no rules
This is your house and your house is mine
This is 88, 89It's the future, futuristic
When we come the crowd go ballistic
They just loving the sound 'cause we twist it
Ladies loving the tune, the crisp biscuitWay down dipping in the dungeon, skankers
Skanking loving the vibe with no wankers
Creeping in the dark like a creature
If you've never done it then we're coming here to teach ya
(Bassline)'Cause it's naughty
I jumped on it 'cause the bassline caught me
And when I come I'll be rolling to the rhythm
'Cause the rhythm and the bass and the vibes all taught meOi, we get crazy
Give me a mic, get hype, Doug Lazy
So when you're creeping it's a walk in the park
To everybody in the place, we're creeping in the darkCreeping
Creeping in the dark
We're creeping in the darkCreeping
Creeping in the dark
We're creeping in the darkOi, hear the bassline
If you're buzzing show me a sign
From the underground we get deeper
It's a London style, it's a creeperOi, hear the bassline
If you're buzzing show me a sign
