

With Hope (Performance Track In Key of B)

[Steven Curtis Chapman](#)

This is not at all
How we thought it was supposed to be
We had so many plans for you
We had so many dreams And now you've gone away
And left us with the memories of your smile
And nothing we can say and nothing we can do
Can take away the pain, the pain of losing you But we can cry with hope
We can say goodbye with hope
'Cause we know our goodbye
Is not the end, oh no And we can grieve with hope
'Cause we believe with hope
There's a place where we'll see you face, again
We'll see your face again And never have I known
Anything so hard to understand
And never have I questioned more
The wisdom of God's plan But through the cloud of tears
I see the father's smile and say "Well done"
And I imagine you where you wanted most to be
Seeing all your dreams come true
'Cause now you're home and now you're free And we can cry with hope
We can say goodbye with hope
'Cause we know our goodbye
Is not the end, oh no And we can grieve with hope
'Cause we believe with hope
There's a place where we'll see you face, again
We'll see your face again, yeah
We'll see your face again We have this hope as an anchor
'Cause we believe that everything
God promised us is true So we can cry with hope
We can say goodbye with hope
'Cause we know our goodbye
Is not the end, oh no And we can grieve with hope
'Cause we believe with hope
There's a place by God's grace
There's a place where we'll see your face, again
We'll see your face again So we can cry with hope
And say goodbye with hope We wait with hope
And we ache with hope
We hold on with hope

We let go with hope
