

# Designed to Piss You Off

## Pain

I was born to raise hell  
Not in god's favour  
I will burn for my sins I'm not his son  
I'm not his flavour  
I guess I'm going to hell That's me, designed to piss you off  
That's me, alive, and flipping you off  
My rules, I win, you lose If I drink all night and fall to the floor  
Don't you preach at me, 'cause I will drink a lot more  
They have all tried to teach me how to live my life  
How to act my age, sorry you're just wasting your time That's me, designed to piss you off  
That's me, alive, and flipping you off  
My life, my mind, you're a fool  
That's me, designed to piss you off  
That's me, alive, and flipping you off  
My rules, I win, you lose Times ticking  
Getting older  
Time won't break me down  
Save all your fears  
I have no plans to slow down That's me, designed to piss you off  
My life, my mind, you're a fool  
That's me, alive, and flipping you off  
My rules, I win, you lose That's me, designed to piss you off  
My life, my mind, you're a fool  
That's me, alive, and flipping you off  
My rules, I win, you lose
