

With Eyes Wide Shut

Blessthefall

I know I'm not there to hold you
The Gods see the sky that I do
You make me the happiest of men
I am the happiest of men
And if God takes me before you
I just want you to know I love you
And you made me the strongest of all men
I'll remain the happiest of men

(The happiest, the happiest, the happiest of men) [x2]

You made me the happiest of men

I'll remain the happiest of men

(The happiest of men) [x3]

I miss you

Baby close your eyes

Let's meet

In our dreams tonight
