

# Feel Like I Do

## Disclosure

One, two, one, two, three, four I feel like I do

(Like I do)

I feel like I do

I feel like I do

(Like I do)

All the years, I, I see

(I, I see)

I feel like I do

(Like I do)

I feel like I do

(Like I do)

Let me know how you feel

Let me know how you feel

I feel like I do

(Like I do)

I feel like I do

(Like I do)

All the years, I, I see

(I, I see)

I feel like I do

(Like I do...do)

(Like I do)

(Like I do)

You got me now

(Like I do)

(Like I do)
