

Come Here..

Kath Bloom

There's wind that blows in from the north.
And it says that loving takes this course.
Come here. Come here.
No I'm not impossible to touch I have never wanted you so much.
Come here. Come here.
Have I never laid down by your side.
Baby, let's forget about this pride.
Come here. Come here.
Well I'm in no hurry. Don't have to run away this time.
I know you're timid.
But it's gonna be all right this time.
