

Piano Song

Meiko

Every little thing I do, I do for you
With every little thing, I think a thought of you
And I try so hard not to notice
I try so hard not to care
I try so hard not to know that you're not here
But I'm counting down the hours
And I'm counting up the days
I try so hard not to show this side of me
Jealous of the way they walk, the way they talk
'Cause I don't think they know just what they got
I'm jealous of the way they look, the way they are
When I just want to be the way we were
And I try so hard not to notice
I try so hard not to care
I try so hard not to know that you're not here
But I'm counting down the hours
And I'm counting up the days
I try so hard not to show this side of me
