

Envy

Buckcherry

Iâ€™ve been watching you all day and night
I bet youâ€™ll make someone a perfect wife
My infatuation burns inside
I envy you and watch you in my life

I see your moving toss me, I feel it deep inside
My mind, I canâ€™t control it, I wish I had your life

Sheâ€™s got everything
I hate it 'cause I envy him
And he doesnâ€™t care like I do
Sheâ€™s got everything
I hate it 'cause I envy him
And he doesnâ€™t care like I do

Walk the streets under a full moon sky
They say all the freaks come out at night
Seems like everyone has so much more
Thatâ€™s why I want you to make me whole

I see your moving toss me, I feel it deep inside
My mind, I canâ€™t control it, I wish I had your life

Sheâ€™s got everything
I hate it 'cause I envy him
And he doesnâ€™t care like I do
Sheâ€™s got everything
I hate it 'cause I envy him
And he doesnâ€™t care like I do

I donâ€™t care, Iâ€™ll stay here all night and wait for you
All this is envy inside of me, I canâ€™t control
I want you to know what itâ€™s like and feel it, too
And feel it, too

Sheâ€™s got everything
I hate it 'cause I envy him
And he doesnâ€™t care like I do
Sheâ€™s got everything
I hate it 'cause I envy him

And he doesn't care like I do
She's got everything
I hate it 'cause I envy him
He doesn't care like I do
