

Your Cheatin' Heart

Frankie Laine

Cheatin', cheatin', cheatin' Your cheatin' heart will make you weep

 You'll cry and cry, you gonna try to sleep

 But sleep won't come the whole night through

Your cheatin' heart is gonna tell on you When tears come down like falling rain

 You gonna toss around, you gonna call my name

 You gonna walk the floor just the way I do

Your cheatin' heart is gonna tell on you Cheatin', cheatin', cheatin'
