Fly High Michelle

Enuff Z'nuff

Six o'clock in the morning, still sitting here pouring
The drinks 'til they're gone
We did everything together would have done it forever
How did we go wrong?
I know that what goes up, comes down
I didn't know you'd hit the groundWhy do you have to give it up?
(Fly high Michelle)
Well you were just a little girl
(Fly high Michelle)
I'll never look into your blue eyes
(Fly high Michelle)
Fly high MichelleWe did it just for a good time, a misunderstood time
We lived with the fear
I wish we still could of done things and not overhung things
I wish you were here
I know I live a life of good things
Until a new life beginsWhy do you have to give it up?
(Fly high Michelle)
Well you were just a little girl
(Fly high Michelle)
I'll never look into your blue eyes
(Fly high Michelle)
Fly high MichelleI say another prayer tonight
And I'll see you in the lightYou had to give it up
(Fly high Michelle)
Well you were just a little girl
(Fly high Michelle)
I'll never look into your blue eyes
(Fly high Michelle)
Fly high MichelleYou had to give it up
(Fly high Michelle)
Well you were just a little girl
(Fly high Michelle)
I'll never look into your blue eyes
(Fly high Michelle)
Fly high Michelle
(Fly high Michelle)
Fly high Michelle
Fly high Michelle
