Show Out

Blackjack Billy

The one I have to belong to
Kiss you anywhere I want to
Don't wanna have to wait, anytime, anyplace
When I wanna lay it on you
Don't wanna keep it on the down low
I say we let the whole town know
If I'm the only one, baby I don't care
Let em all stare if they want tooYeahh
Girl I can't get enough of ya
So when I love ya
I show out
Girl I can't hide, I can't hold back
I know you know that
I show out
I'm in no doubt, for long or out
That's the only way I know how
So when I love when I love ya
I show outSo go on and tell your mama
That I be lovin' up on ya
As long as I'm your man, baby I don't give a damn
Tell 'em bring on the drama
And don't cha worry 'bout what your friends say
They gon' talk 'bout us any old way
As long as I'm with you, If they want to, baby they can put us on the front page
Whoaa yeah yeahhGirl I can't get enough of ya
So when I love ya
I show out
Girl I can't hide, I can't hold back
I know you know that
I show out
I'm in no doubt, for long or out
That's the only way I know how
So when I love when I love ya
I show outYeahThey said it wouldn't last
Let it go, It'll pass
But I don't care about that, no
Let's do them all wrong
Baby doll, screw them all
Now you know I can't shut my mouth

Gotta love you out loudGirl I can't get enough of ya
So when I love ya
I show outGirl I can't get enough of ya
So when I love ya
I show out
Girl I can't hide, I can't hold back
I know you know that
I show out
I'm in no doubt, for long or now
That's the only way I know how
So when I love when I love ya
I show out
(I show out)
Show out
(I show out)
I'm in no doubt, for long or now
That's the only way I know how
I show out
