Sex

Kix

hear the strangest things echo through the walls
Moaning groaning eroneous zone bouncing like a ball
Crash bang boom bang bump-a-dee-bump - all night to meet the band
Oh no I feel the pain how much more can I stand
I pounded on the pipes
I call on the phone
There they go again
Bone to bone

Sex - Sex - Sex
Sex - Sex - Sex
Uh - Sex - Uh
Sex - Sex

I see them come I see them go
But somehow they look the same
Miniskirts and see-through shirts
A high heel crying shame
Check in and checkin' out
Well this ain't no sleaze hotel
Calling 'til the daylight comes
But check-out time is twelve

Dishes off the wall
The bed springs squeak
But the mating call
Makes a strong man weak

Sex - Sex - Sex
I want Apartment B
Sex - Sex - Sex
One floor on top of me
Uh - Sex - Uh
Oh baby up 'til now
Sex - Sex

My doors always open
My phones on the hook
My mailbox is waiting
My names in the book

Got ads in the paper
But nobody cares
Apartment A's lonely
The action's upstairs

Sex - Sex - Sex
Sex - Sex - Sex
Sex

Sex - Sex - Sex
I want some
Sex - Sex
You got him don't forget about me
Sex - Sex - Sex
Oh no
Sex - Sex

(see ya)
