

Baby, I'm for Real

Esther Phillips

Baby, baby
You just don't understand
How much I love you baby
And how much I wanna be, your only woman, oh baby
Baby, baby, baby, baby
You don't have to go
Stay a little while longer baby
I wanna talk to you just a little more
I see the little tears in your eyes about to fall
You are wondering if I'm for real
But if you cry, I wonder why you cry
I tell you, know why this is how I feel
Baby I'm so for real
(yes, I'm for real baby)
(yes, I'm for real)
(yes, I'm for real baby)
(yes, I'm for real) But if you wanna know the truth about it all
I just couldn't live without you
And that's why I'm confessing my love to you
So I can stand
(my whole life)
my whole life
oh, with you
Never, never, never, baby
(yes, I'm for real baby)
(yes, I'm for real)
gonna let you go
cos' I love you
i love you so
baby baby baby baby baby
(yes, I'm for real baby)
(yes, I'm for real)
ain't gonna never
never
never let you go, no
because I love you so much
(yes, I'm for real baby)
(yes, I'm for real)
so much, so much, so much baby
