

I'm Just a Lucky So and So

Chuck Berry

As I walked down the street
Seems everyone I meet
Gives me a friendly Hello!
Guess I'm just a lucky so and so
Birds in every tree
Seem all so near to me
They sing wherever I go
Guess I'm just a lucky so and so [Chorus]
If you should ask me the amount
In my bank account
I would have to confess
That I'm slipping
But, that don't worry me
Confidentially, I got a dream that I'm tip in
And when the days through
Each night, I hurry to
Home where love ways I know
Guess, I'm just a lucky so and so [Chorus]
And when the days through
Each night, I hurry to
Home where love ways I know
Guess, I'm just a lucky so and so
Woo!
Just a lucky so and so.
