

# Sick Boy

[MxPx](#)

Sick boy in his faded blue jeans, sick boy  
Black leather jacket seen, sick boy  
Always in trouble with the law  
Don't you know? Owayo, sick boy He carries a switchblade knife, sick boy  
Likes to get into fights, sick boy  
He'll go drinkin' with the boys  
All night long, owayo, sick boy Naa naa naa naa, sick boy  
Owayo, sick boy  
Naa naa naa naa, sick boy  
Owayo Sick boy, he rides a big motor bike, sick boy  
He combs his hair up just right, sick boy  
With tatoos up and down his arms  
Don't ya know? Owayo, sick boy He's got a girl wrapped around his arm, sick boy  
With his street-like charm, sick boy  
He'll hang out with her all night  
Don't you know? Owayo, sick boy Naa naa naa naa, sick boy  
Owayo, sick boy  
Naa naa naa naa, sick boy  
Owayo, sick boy Such a sick boy  
We're all sick boys  
I'm a sick boy  
Naa naa naa naa naa naa
