Let's Not Pretend

Lilly Wood & The Prick

Gravity is pulling you in
Because the earth it wont stop spinning
It's no surprise
You found me again
After all it was the best thing that we ever had
Now sugar, I can see you honey

Oh,
Let's not pretend that it's here babe
The world that we know disappeared long ago
'Cause we just couldn't carry the weight

I know you all, want someone to care
To find the words when you can not find them yourself
The things you lost, you'll never get back
It's too late, you're just gonna drag out the past
Now sugar, can't you see, oh honey

[Chorus]

This time what are you searching for
The better days you thought you had before
So what if you don't see it anymore
Or can't hear what I say

Oh yes now sugar, I can see you honey
Oh now baby

Oh,
Lets not pretend that it's here babe
The world that we know disappeared long ago
'Cause we just couldn't carry

[Chorus]

Just couldn't carry the weight
We just couldn't carry oh
We just couldn't carry oh
We just couldn't carry oh
