

# Blue Christmas (Remastered)

**Jim Reeves**

(You'll be doin' all right, with your Christmas of white,  
(But I'll have a blue, blue Christmas.)I'll have a blue Christmas without you  
I'll be so blue just thinking about you  
Decorations of red on a green Christmas tree  
Won't be the same dear, if you're not here with me.And when those blue snowflakes start fallin'  
That's when those blue heartaches start callin'  
You'll be doin' all right with you Christmas of white,  
But I'll have a blue, blue Christmas.--- Instrumental ---  
And when those blue snowflakes start fallin'  
That's when those blue heartaches start callin'  
You'll be doin' all right with you Christmas of white,  
But I'll have a blue, blue Christmas...
