Aha!

Pentatonix

Eat, sleep and breathe that you're full of the stuff
Go back, get tied up tight
Wheat meat, dairy free tea told so happy clappy high on life
You should try it, you know, go on while no one's looking
A-ha! Caught you now
Caught ya red handed in the biscuit tin
Cost you to keep me quiet
Golden boy boots, pocket pedestal, you can trust my moves
Plastic, tin can, paper, separated
Busy bee wave, wave save the planet flag
But sneaky in suburbia

A-ha! Candid camera
Hook the line and sinker for the four-wheel drive
Cost you to keep me quiet, keep me quiet
Nicest sweetest, utmost in everything
It's so charming, very charming
Well, reckon play the fool no one's ill at ease
And put the deepest Swiss bank trust in you
No one saw it coming
A-ha!
Cost you to keep me quiet
