

# Simple Things (From Simple Things)

Amy Grant

Wake up baby look around  
Birds sing, ooh that sound  
Reminds me of a line  
From "Unchained Melody" Feel like I'm a little girl  
Best thing in the whole wide world  
Is I can see the makings of a memory  
I remember how it used to be  
Well I'm still dreaming... 'Cause I dream of simple things  
I can believe in  
Like the feeling this day brings  
True love and the miracle of forgiving  
I believe in simple things Ain't nothing like a sunny day  
Chit-chat at a street cafe  
Just paint the picture, baby  
Where you want to be Take a walk, take a ride  
So far, you and I  
Don't need a plan  
But we can share  
This revelry I remember how I used to want it all  
Funny how the big things seem so small I dream of simple things  
I can believe in  
Like the feeling this day brings  
True love and the miracle of forgiving  
I believe in simple things Through all the days  
The blues, the grays  
A ray of light keeps shining... I believe in simple things  
Through all the days  
The blues, the grays  
A ray of light was shining I dream of simple things  
I can believe in  
Like the feeling this day brings  
True love and the miracle of forgiving  
I believe in simple things I dream of simple things  
I can believe in I believe in simple things I dream of simple things  
I can believe in  
Like the feeling this day brings  
True love and the miracle of forgiving  
I believe in simple things
