

Sleeping Tiger & the Gods Unknown

The Orb

I stands between the line
choose my brushes, my palletes of vibrant and living color
the sun is brigther, and I'm sleeping with tigerswe
want it, we want to be free
because everything you want everything I'm not in for
we want it, we want to be free
because everything you want everything I'm don't wish for
You can dream, but can't remain to illusion
there's clear cut dimension for so called division
I stands between the line
choose my brushes, my palletes of vibrant and living color
the sun is brigther, and I'm sleeping with tigerswe want it, we want to be free
because everything you want everything I'm not in for
we want it, we want to be free
because everything you want everything I'm don't wish for
don't go away, don't go away, don't be afraid
don't run away, don't run away from everything 2x
we want it, we want to be free
because everything you want everything I'm not in for
we want it, we want to be free
because everything you want everything I'm
