There's Always Goodbye

The Hollies

Ever since that first night
When I gave my love to you
Everything seemed so right
You are my sunlight shining through
And I tried so not to let it show
Yet it seems sad because I know
No matter how hard I try
No matter how hard I try
There's always goodbye
You smile softly as you leave my bed
And I tightly hold your hand
You lean down to kiss my head
But there's nothing to be said
And if you said you want to sing
I know you'd soon be on your way

[Chorus:]
No matter how hard we try
No matter how hard we try
There's always goodbye
So here we stand, you and I
You are too kind and I'm too shy
To say what we really mean
So we make life a masquerade
Never showing all, only the parts we played

[Chorus]
No matter how hard I try
No matter how hard I try
There's always goodbye
There's always goodbye
[Repeat]
