Wonder (Syzz Bootleg)

Adventure Club

Have you wondered,
What it could be like,
And I was all set to come back home.
You were after nothing I could give long.
Have you ever wondered,
What it could be like,
And I was standing back on my feet.
There's nothing there,
So now you want betterAnd I know I should have held you closer,
And I know I should have treated you better,
In a perfect world,
But we're not always,
What we promised to be.
You caught my words in mid-air.
The silence hung as you caught my eye,
Conversations locked away in my mind.I know I should have held you closer,
I know I should have treated you better.And I know I should have treated you better
And I know I should have treated you better
I know I should have treated you betterHave you wondered,
What it could be like,
And I was all set to come back home.
You were after nothing I could give long.
Have you ever wondered,
What it could be like,
And I standing back on my feet.
There's nothing there,
So we were better.And I know I should have held you closer,
And I know I should have treated you better,
In a perfect world,
But we're not always what we promised to be.
You caught my words in mid-air,
The silence hung as you caught my eye,
Conversations locked away in my mind.I know I should have held you closer,
I know I should have treated you better.And I know I should have treated you better
And I know I should have treated you better
