Breaking Up (Live at SXSW)

Charli XCX

You said you loved me (I say what)
You said you loved me (Okay let's rock)
You said you loved me (I say what)
You said you loved me (Okay let's rock)You had an ugly tattoo, and fucking cheap perfume
You couldn't dance, barely moved, didn't know what to do
You had a friend in a band, but they're not that cool
You said you loved me (Okay let's rock)Everything was wrong with you
So breaking up was easy to do
Hate your friends and your family too
So breaking up was easy to do
Breaking up! (Breaking up)
Breaking up! (Breaking up)You said you loved me (I say what)
You said you loved me (Okay let's rock)
You said you loved me (I say what)
You said you loved me (Okay let's rock)You tried to pull us apart and make a brand new start
You tryin'a drive me force me, didn't get very much
You said forever but baby I'm not so sure
You said you loved me (Okay, let's rock)Everything was wrong with you
So breaking up was easy to do
Hated your friends and your family too
So breaking up was easy to doEverything was wrong with you
So breaking up was easy to do
Hated your friends and your family too
So breaking up was easy to doBreaking up!
Breaking up!
Breaking up!
Breaking up! (Oh)
Breaking up!
