

# What We Done?

## Austra

So I dance with nothing  
So I dance for free  
And there is no glamor  
Stumbling down clean Come back to me  
You're 17  
I have no signs  
Cause I'm a tear  
We knew no difference  
Awake the arch  
She saw the future  
And it was dark So I dance with nothing  
So I dance for free  
And there is no love here  
Whether you're ? Come back to me  
You're 17  
I have no signs  
Complacency  
We knew no different  
Awake the young  
She saw the future  
It was dark So I dance with nothing  
So I dance for free  
And there is no glamor  
Stumbling down clean What we done  
Deceiving the peace we had inside  
What we done  
Believing the peace we had inside  
I become deceiving  
To see through all the night  
Where are you?  
Believing without knowing you're right Here again, deceiving  
This hate we face inside  
Here again, receiving  
This hate we face inside
