# Reason to Stay

## Randy Rogers Band

You look pretty good for all that you've seen
You're smiles still as bright as it's ever been
You won't show your eyes, scared that they might
Show all the world what you told me last nightAnd you're so tired of just being alive
You're so sad you could just cryI'd sing you the sweetest songs and hold you so long
And make you forget all the reasons
You talked about leaving this place
If you're thinking about leaving
I could give you a reason to stayYou seem pretty calm for what you have done
You're always rehearsed, you impress everyone
You're covered so well that no one can tell
Your skin is on fire and your heart is in hellAnd you're so tired of just being alive
You're so sad you could just cryI'd sing you the sweetest songs and hold you so long
And make you forget all the reasons
You talked about leaving this place
You're thinking about leaving
I could give you a reason to stayIf you got to go, then you oughta know
I won't stand in your way
Just give me time and I'll change you mind
Soon you'll forget yesterdaySing you the sweetest songs and hold you so long
And make you forget all the reasons
You talked about leaving this place
If you're thinking about leaving
I could give you a reason to stayA reason to stay, won't you stay with me tonight
A reason to stay, won't you stay with me one more time
