

Stare At The Sun (Acoustic)

Thrice

i sit here clutching uselessness
keeps the doors that dont exist
i cracked my teeth on pearls
i turn into the history
show me what it means to be
in this world, yeah in this world

chorus
cuz i am do for a miracle
i'm waiting for a sign
stare straight into the sun
and i wont close my eyes
til i understand or go blind

see the parts but not the whole
study saints and scarlets both
and the perfect plan unferls
do i trust my heart or just my mind
why is it so hard to find in this world
yeah in this world

chorus
i know that theres a point i've missed
a shrine or stone i haven't kissed
a scar that never grazed my wrist
a mirror that hasnt met my fist
but i cant help ...
feeling like im

due for a miracle
im waiting for a sign
i stare straight into the sun
and i wont close my eyes

im due for a miracle
waiting for a sign
cuz i stare straight in to the sun
and i wont close my eyes
