

# I Wouldn't Normally Do This Kind Of Thing

[Robbie Williams](#)

Ask me why, I'll say it's most unusual  
How can I even try to explain  
Why today, I feel like dancing  
Single like lovers say When I wouldn't normally do this kind of thing  
I wouldn't normally do this kind of thing Ask me when, I'll say it started when I met you  
And ever since then, I knew that the past couldn't last  
For right now I think I'm running  
A race I know I'm gonna win And I wouldn't normally do this kind of thing  
I wouldn't normally do this kind of thing If people say I'm crazy, I tell 'em that it's true  
Let them watch with amazement  
Say it won't last beyond breakfast It's a phase, he's going through  
Denigrate or speculate on what I'm going through  
Because it isn't the sort of thing, I'd normally do Ask me what, I'll say I think it's good for you  
Believe it or not, I know where it's all leading to  
I feel like taking all my clothes off  
And dancing to the, "Rite of spring" And I wouldn't normally do this kind of thing  
I wouldn't normally do this kind of thing  
I wouldn't normally do this kind of  
I wouldn't normally do this kind of  
I wouldn't normally do this kind of thing
