

Long Way To Go (prod by Ryan Leslie 2006)

Cassie

I love it when they try to get intimate
Even though they know I really ain't into it
(You're not into it?)
I'm not into it
I already know the game and I've been through it
See I buy my own bags, my boots, my jeans
Wear LaRok with my Rebel Yell underneath
You wanna step to me?
Said you got a long way to go
Rock wit me now
You claim that you're so hot
And you say you got skills in the bedroom
You try to flirt when you're so not
Had a chance you still never come through
You say you wanna come see me
'Cause you know your girlfriend wanna be me
I'ma tell you why you can't
Said you got a long way to go
Say you wanna love me? Wanna love me? Wanna touch me?
Think twice 'cause you got a long way to go
Don't know how to act, better fall back
It's like that 'cause you got a long way to go
It's not that deep, take it easy
You wanna please me? Got a long way to go
I'ma bad girl, you wanna get close?
Ease up 'cause you got a long way
I love it when they try to get scandalous
Even though they know they really can't handle it
(They can't handle it?)
They can't handle it
Try and take me out to dinner, I'll cancel it
If you really wanna know me first of all
You should never try to get too personal
'Cause I'm in it when I say
That you got a long way to go
You claim that you're so hot
And you say you got skills in the bedroom
You try to flirt when you're so not
Had a chance you still never come through
You say you wanna come see me
'Cause you know your girlfriend wanna be me
I'ma tell you why you can't
Said you got a long way to go
Say you wanna love me? Wanna love me? Wanna touch me?
Think twice 'cause you got a long way to go
Don't know how to act, better fall back
It's like that 'cause you got a long way to go
It's not that deep, take it easy

You wanna please me? Got a long way to go
I'ma bad girl, you wanna get close?
Ease up 'cause you got a long way You claim that you're so hot
And you say you got skills in the bedroom
You try to flirt when you're so not
Had a chance you still never come through You say you wanna come see me
'Cause you know your girlfriend wanna be me
Said you got a long way to go
Say you wanna love me? Wanna love me? Wanna touch me?
Think twice 'cause you got a long way to go
Don't know how to act, better fall back
It's like that 'cause you got a long way to go It's not that deep, take it easy
You wanna please me? Got a long way to go

You got a long way to go
Better fall back
Said you got a long way to go
