

Lighter

Nalepa

I don't want to fallâ€¢ any faster
Than the world spinning roundâ€¢
I've been washing down
Take it as it comes, live life lighterâ€¢
I donâ€¢t want to feel, not today. â€¢
All my times a waste

Glitter and goldâ€¢ who do you want to be?â€¢
Purple yellowâ€¢ how do you want to feel?â€¢
Let it go

I donâ€¢t want to roll any faster
Than the world spinning roundâ€¢
Everyone come downâ€¢

People relax

Glitter and goldâ€¢ who do you want to be?â€¢
Purple yellowâ€¢ how do you want to feel?â€¢
Let it go

Who are you fooling, child?
