

# Wake Up

## Pennywise

Woke up this morning  
Hoping for a better day  
Gotta make a change right now  
Gotta find a better way I took a good look at my problems  
And their piling up in my head  
Gotta take a chance right now  
Before I wind up dead Wake up, my friend  
Someone's knocking at your door  
Last chance for you  
It's time to even up the score So many reasons for living  
But you won't even try  
Wake up and take back your life When I look in the mirror  
I don't like what I see  
I'm like a stranger in a foreign town  
It doesn't even look like me Gotta find a way back to  
The place where I belong  
Don't know where I'm going but  
I know where I'm going wrong Wake up, my friend  
Someone's knocking at your door  
Last chance for you  
It's time to even up the score So many reasons for living  
But you don't even try  
Wake up and take back your life
