Without You

David Sneddon

Looking out over the ocean And I'm wondering why it is blue Cause I'm without you. Standing alone on the shore And the only reason can be... And I'm crying out for more Cause I'm without you And the only reason can be... So stand in silence Stand in silence Hold me tight Tonight And now I have to know I go-oh-oh... Just before And will you still think of me over the largest sea now I'm without you?? Oh-oo-oo, baby... Crying out into the night And I'm trying to put all the things right And the only reason can be... Cause I'm without you So stand in silence Hold me tight And now I have to know Stand in silence Tonight Oh-oo-oo, baby... Just before I go-oh-oh... Oh... And will you still think of me over the largest sea now I'm without you - ooh - ooh I'm without you - ooh - ooh So stand in silence Hold me tight Stand in silence Tonight And now I have to know I go-oh-oh... Just before And will you still think of me over the largest sea now I'm without you - ooh - ooh Oh-oo-oo, baby... Oh Oh Ohhh... I'm without you - ooh - ooh
