Patsy

decker.

They would say Iâ€™m an angry man
I was a lonesome man
But Iâ€™m just a hungry man

Look at me, the bewildered one
I am a Soviet
I am the powerless

Here I am, proletariat
Iâ€™m not a tortured man
I am the every man

I made my decision and my deed is done
I am the bastard son
Iâ€™ll kill everyone

Never better over there
Never better over here
Never better anywhere
Made my decision and Iâ€™m through
Itâ€™s all over now for me
Guess itâ€™s all over for you

Some would say he was a heroic man
But he was a privileged man
He was an aristocrat

Iâ€™m finished life, well itâ€™s over now
I am the chosen one
We bled for everyone

Never better over there
Never better over here
Never better anywhere
Made my decision and Iâ€™m through
Itâ€™s all over for me
Guess itâ€™s all over for you (x2)

So I shot him down

Yeah I shot him down

And they shot me down
Yeah they shot me down

Well you shot me down
