

Getting Away With Murder (live)

Papa Roach

Somewhere beyond happiness and sadness
I need to calculate
What creates my own madness
And I'm addicted to your punishment
And you're the master
And I am waiting for disaster I feel irrational
So confrontational
To tell the truth I am
Getting away with murder
It isn't possible
To never tell the truth
But the reality is I'm getting away with murder I drink my drink and I don't even want to
I think my thoughts when I don't even need to
I never look back 'cause I don't even want to
And I don't need to
Because I'm getting away with murder I feel irrational
So confrontational
To tell the truth I am
Getting away with murder
It isn't possible
To never tell the truth
But the reality is I'm getting away with murder Somewhere beyond happiness and sadness
I need to calculate
What creates my own madness
And I'm addicted to your punishment
And you're the master
And I am craving this disaster I feel irrational
So confrontational
To tell the truth I am
Getting away with murder
It isn't possible
To never tell the truth
But the reality is I'm getting away with murder I feel irrational
So confrontational
To tell the truth I am
Getting away with murder
It isn't possible
To never tell the truth

But the reality is I'm getting away with murder
