

# My Own Way

## Sammie

[Intro:]

Oh Oh Oh Woo!Wooo-ooh. woo-ohh Woo-ooh woo-oh.

Woo-ooh woo-ooh, woo-ooh, woo-ooh, woo-ooh.

Yeah, Ooooh no. Its time I spread my wings and fly, babe.(Another be-cox Joint)[Verse 1:]

Dear mama, this goes out to you

I know its hard for you to accept what it is I do

But its you who said son follow your dreams.

Sky's the limit, the music isn't all its cracked up to be.

And I know that its hard to let go

(yeah)

But its time that I shine and I know,

That its this music that influenced me to keep on going fluently,

You don't know what it do to me.

I love you mama watch your boy shine.[Chorus:]

Were at the crossroads, took me as far as as you can go.

Now its time for me to grow up and be a man so.

(now) Imma spread my wings and fly this don't mean that its goodbye.

But I gotta find, gotta find my own

Way now (please understand) gotta find my own way now (im finally a man)

Gotta find my own way now (i know its hurting you so)

Gotta find my own way now (you gotta learn to let me go) gotta find my own way[Verse 2:]

And I pray dear God, please let there come a day I can support my family and everything will be okay

Here I pray dear God,

Let me get up out this hood so brother and sister can live good and everything will be okay.

And I know that its hard to let go (yeah)

But its time that I shine and I know, that its this music that influenced me to keep on going fluently,

You don't know what it do to me.

I love you mama watch your boy shine.[Chorus][Verse 3:]

Everything I do I owe it all to you.

Without your love and care what would I do

Can't imagine my life without you

Mama, Mama, Mama, Mama [x2][Chorus until fades][Thanks to Danielle (tru-lyph-of-a-scorpio@hotmail.com)
