Kiss My Lips

Dev

Yeah
Yeah
Hands up
Just hot
Tell 'em haters
Kiss my...

Hands up
Just hot
Tell 'em I said
Kiss my...

Hands up
Just hot
Tell 'em...

I was sittin' on the beach, starin' at the night
Pulled out a cigarette, and you were there with the light
What you tryin' to do, lookin' in my eyes
Pretty boy step back, you don't wanna take this fight
But if you wanna talk, well first you gotta listen
I ain't like those other girls that you been missin'
I do it all alone, queen of my throne
One of a kind, I'm in a league of my own...

And get your hand off my hip, and kiss my lips
Kiss my lips, kiss me all over
Are you gonna take that risk, take that risk
'Cause we're only gettin' older
I said kiss my lips, kiss my lips,
And do it all over
I know you weren't expectin' this tonight
But baby that's me...

Hey, hey, hey, yeah
Hey, hey, hey, yeah...

(Fabolous)
Hey you gotta answer but
Which lips are you talking

Instead of a dance strut, I'd tip you for walking
We gon' role play, I'm Christopher Walken
I treat you like a queen and I'm king of New York
Welcome to my city, pretty fast pace, ain't it?
I put on weight with the projects that only place gave it
Life's better when sipping glasses at ace, ain't it?
Them other boys are jokers what are they facing
You playing cause you might get lucky tonight
Bring the vampire out, I suck and I bite
I'm a fucking rapper, I fuck and I write
I got them throwing jabs, I'm dunking them rights
The list, but I'm ready to count her
Lay you out for the count on the kitchen counter
Call me Mr. Anywhere
What do you think Imma do when you whisper in my ear...

And get your hand off my hip, and kiss my lips
Kiss my lips, kiss me all over
Are you gonna take that risk, take that risk
'Cause we're only gettin' older
I said kiss my lips, kiss my lips,
And do it all over
I know you weren't expectin' this tonight
But baby that's me...

Hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey
Baby, that's me...

I know what you want, you know what I need
Show me what I came for
There's only one thing you gotta do for me
Just promise not to stop when I say so...

I know what you want, you know what I need
Show me what I came for
There's only one thing you gotta do for me
Just promise not to stop when I say so...

And get your hand off my hip, and kiss my lips
Kiss my lips, kiss me all over
Are you gonna take that risk, take that risk
'Cause we're only gettin' older

I said kiss my lips, kiss my lips,
And do it all over
I know you weren't expectin' this tonight
But baby that's me...

Hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey...
