

Don't Cry

Lucky Dube

Everytime I say I wanna go
I can see you gonna cry
Everytime I say I wanna go
I can tell you gonna cry
Thinking of the lonely nights
(when I' m not there)
Thinking of the days
(when I' ve gone)
Thousands of people
Wanna see me
Millions are waiting
For the message
Billions are dying
For the message
I am going round the world
Spreading the message
I am going round the world
Spreading the word
Don' t cry baby, don' t cryChorus:
Don' t cryThey wanna hear me saying!
Ayobayo
They wanna hear me hear me say
I' ve got you babe
They wanna hear me sayin
Together as one
They wanna hear me say
I' m a slave
