I got what she wants
Ah, her nose, a tied knot
I got one mile to go
On down the road, on down the road Well, she got what I want
And she knows what I'm not
Ah, I got one mile to go
On down the road, on down the road She sang She got what I want
And she knows what I'm not
And I got one mile to go
On down the road, on down the road She sang
