

On My Highway

Jason Aldean

On my highway, the yellow lines
Have disappeared from time to time
And I've wound up
On the wrong side of the roadOn my highway, I've gone too fast
Afraid that I might finish last
I hooked a curve too hard and lost control
Oh, I never know which way it's gonna goBut what a feelin' chasin' the sun
Livin' my life like it's shot from a gun
Laughin' a little bit more with every mileOh, what a freedom racin' the wind
Dyin' to know what's around the next bend
And smilin' as I watch the years roll by
I'm learnin' how to take it day by day
On my highwayOn my highway I missed some signs
And left a damn good love behind
I see her in my rear view like a ghostOn my highway I've broken down
And cried when no one else was around
And prayed that God would save my soul
Ya, I've paid a lot of heavy tollsBut what a feelin' chasin' the sun
Livin' my life like it's shot from a gun
Laughin' a little bit more with every mileOh, what a freedom racin' the wind
Dyin' to know what's around the next bend
And smilin' as I watch the years roll by
I'm learnin' how to take it day by day
On my highwayYeah, yeah, what a feeling out on the run
Drinkin' up the rain, soakin' up the sun
Laughin' a little bit more with ever mileOh, what a freedom like a sail in the wind
Not lookin' back, not forgettin' where I've been
Smilin' as I watch the years roll byI'm movin' on from my mistakes
And I'm learnin' how to take it day by day
On my highway, oh, oh, yeah
