

Don't Say

Scars on 45

I'm sick of the silence
I shake as I give my point of view
I'll wait till your heads locked
And trap the blame back on you
Why wont you believe me?
Because I keep staring at my shoes
I try and move closer
And open the floodgates locked on youBaby please,
Don't say it wont get better
Don't say it all looks down
Don't say it can't get better
You scare me out of townYou thinkin' it's easy
To go and give up but don't give in
I'll crack if she leaves me
I'll squeeze her to death if we should winBaby please,
Don't say it wont get better
Don't say it all looks down
Don't say it can't get better
You scare me out of town
