

# Here Am I

## Uriah Heep

I sit in my sunny chair with my head held low  
I know the reason I'm dreaming  
It's really been fun but where is there left to go  
Save to give my life a new meaning And if by chance you'd come my way  
I'll have to say Here am I, give me love  
Here am I, give me love How was I to know your heart was unsatisfied  
When you never troubled to tell me  
No wish that you made to me ever was denied  
I played it just the way that it should be But then you turned and walked away  
I had to say Here am I, give me love  
Here am I, give me love Here am I, give me love I imagine I must sit here till the winter comes  
And just watch the days growing shorter  
To gather in dust won't go till my thinking's done  
And I walk from this troubled water By then my need won't be so bad  
And I'll gladly say Here am I, give me love  
Here am I, give me love  
Love
