

Refuse To Be The Reason

Boyz II Men

So let me get this right
You call yourself saying goodbye
With no good reason why
You didn't even try to work it out
This time, before you walk out the door
You really really need to be sure
We've been here before but now
It's funny you don't want this anymore But I remember when over and over again
With all the craziness you put me through
I shoulda been done with you Well okay yeah if love is not a reason to stay
Then it really doesn't matter anyway
Why should I give it my all, when you're giving up, oh no
Just so you know everything ain't always been everything
But I was still willing to give anything I mean anything
But I refuse to be the reason why you're gone Now I ain't gonna lie
Oh my friends say I'm outta my mind
'Cause I spent all my time and my paper
When they said you weren't worth a dime
I thought they were wrong
But they were right all along
I can't believe it, look what you're doing
You're trying to ruin everything that we made so strong But I remember when over and over again
With all the craziness you put me through
I shoulda been done with you Well okay if love is not a reason to stay
Then it really doesn't matter anyway
Why should I give it my all, when you're giving up, oh no
Just so you know everything ain't always been everything
But I was still willing to give anything I mean anything
But I refuse to be the reason why you're gone Tell me why, why did you stay so long?
If you, you knew that you felt this way
And if I knew I wouldn't have wasted my time on you
Now you're free to do what you want to do Well okay if love is not a reason to stay
(It doesn't matter girl)
Then it really doesn't matter anyway (no it don't)
Why should I give it my all (why should I give you my everything)
You should know everything ain't always been everything, no
But I was still willing to give anything, I mean anything
But I refuse to be the reason (I refuse to be the reason why you're leaving me) If love is not a reason to stay
Then it really doesn't matter anyway

Why should I give you my all
When you're giving up
Just so you know
Everything ain't always been everything
But I was so willing to give you anything (I mean anything) I refuse to be reason why you're gone
Why you're gone, gone
It's not my fault
This time why you're leaving me
Oh oh oh yes, I refuse to be the reason why you're gone
