Dear Boy

Paul & Linda McCartney

I guess you never knew, dear boy, what you had found
I guess you never knew, dear boy, that she was just the cutest thing around
I guess you never knew what you had found, dear boyI guess you never saw, dear boy that love was there
And maybe when you look too hard, dear boy, you never do become aware
I guess you never did become aware, dear boyWhen I stepped in, my heart was down and out
But her love came through and brought me 'round
Got me up and aboutWhen I stepped in, my heart was down and out
But her love came through and brought me 'round
Got me up and aboutI hope you never know, dear boy, how much you missed
And even when you fall in love, dear boy
It won't be half as good as thisI hope you never know how much you missed
Dear boy, how much you missed, dear boy
