Hello Love

Tr-One

Well, look who's coming through the door
I think we've met somewhere before
Hello love, hello loveWhere in the world have you been so long?
I've missed you so since you've been gone
Hello love, hello loveMake yourself feel right at home
I'll hope you plan on staying long
Come in love, come in loveI must say I was sure surprised
You're the last thing I expected by
Hello love, hello loveI've heard it said time and again
You'll often go back where you've been
I really didn't believe it was true
But I left the door unlocked for youI'll try to please you in every way
Assure you of a pleasant stay
This time love, this time loveI've been so blue since you've been gone
Now you're back with me and nothing's wrong
Hello love, hello loveI've heard it said time and again
You'll often go back where you've been
I really didn't believe it was true
But I left the door unlocked for youIt's wonderful now, you're back with me
And things are like they used to be
Remember love, remember loveYou're back with me and my world's complete
So don't mind me if I repeat
Hello love, hello love
Hello love, hello love
