

Goonin (feat. DLo) (Prod. Ekzakt Bizness Boi)

Rayven Justice

{Hook-Rayven Justice}:
Goonin' with my niggas
I don't give a fuck right now
Knockin' niggas bitches
We don't give a fuck right now {Rayven Justice}:
Ridin' round in a stoley
Stompin' my uncle E-40
Why these niggas so phony?
If you got a problem, nigga show me
My niggas be gone, you niggas hang on
Yo lane got no money, can't put out 100
Damn, nigga, that's a shame, nigga
Gimme a check, I can train niggas
You will never see me with some lame niggas
I ain't neva change to the same nigga
Goonin' with my niggas
I don't give a fuck right now
Knockin' niggas bitches
We don't give a fuck right now {D-Lo}:
Diva, look, I don't give an f-
You got shit that'll stretch you
Just knock the nigga's bitch, aw shit
Banana on his K in case a muthafucka slip
Put this flame to his brain, get him blew like a crip
I'm just ridin' with my goons, gettin' higher than the moon
I'm a muthafuckin' boss, nigga, tycoon
I got niggas that'll ride fo' me, die fo' me
If the rollies pull me ova, got a pistol live fo' me
Nigga, oh, fucked yo bitch so good, she don't want me hittin' that
Knocked a nigga bitch and he can't get her back
She a mixed bitch, she just look white
A pretty bitch with no money, that don't look right
Goonin' with my niggas
I don't give a fuck right now
Knockin' niggas bitches
We don't give a fuck right now
