Ball and Chain (2002 Remaster)

Barclay James Harvest

If I had my way I would not be here
Not for one day, my leaving is clear
I've had my share of heartache and pain
For happiness I'm searching in vain
I've got to get rid of my ball and chainFor all of my life, the times they've been bad
And hard luck and strife, they're all I've ever hadI've had my share of heartache and pain
For happiness I'm searching in vain
I've got to get rid of my ball and chainI've just got to be free
God in heaven, help meIf I had my way I would not, would not be here
No, not for one day, my leaving, my leaving is clearI've had my share of heartache and pain
For happiness I'm searching in vain
I've got to get rid of my ball and chain
Help me!
I've had my share of heartache and pain
For happiness I'm searching in vain
I've got to get rid of my ball and CHAIN!
