

Love Rhymes With Fuck You

Jeffree Star

you can fuck me til the sun comes up
you can fuck me til the sun comes up
you can fuck me til the sun comes up
you can fuck me til the sun comes up

you can fuck me til the sun comes up!

hey! hey! hey!

your eyes are killing me when you choke me!
i can't breath bed sheets cover my knees
rip them off take me to my knees

when we start blowing give my wips and it feels like love
burn baby burn,burn you make me hot! hot!
burn baby burn, burn you make me hot! hot!
burn baby burn,burn you make me hot! hot!
burn baby burn,burn you make me hot! hot!

i know you want me ,i want you to!
your feeling frisky,I'm feeling you
you fill me up I'm going down
you can fuck me til' the sun comes up!
