

# STAY#

## Hurts

My whole life waiting for the right time  
And to tell you how I feel  
I know I try to tell you that I need you  
And here I am without you  
I feel so lost but what can I do?'Cause I know this love seems real  
But I don't know how to feelWe say goodbye in the pouring rain  
And I break down as you walk away  
Stay, stay'Cause all my life, I felt this way  
But I could never find the words to say  
Stay, stayAlright, everything is alright  
Since you came along  
And before you, I had nowhere to run to  
And nothing to hold on to  
I came so close to giving it upAnd I wonder if you know  
How it feels to let you go?You say goodbye in the pouring rain  
And I break down as you walk away  
Stay, stay'Cause all my life I felt this way  
But I could never find the words to say  
Stay, staySo you change your mind  
And say you're mine  
Don't leave tonight, staySay goodbye in the pouring rain  
And I break down as you walk away  
Stay, stay'Cause all my life I felt this way  
But I could never find the words to say  
Stay, stayStay with me, stay with me  
Stay with me, stay with me  
Stay, stay, stay, stay with me
