## Manic Street Preachers

Your dream can never earn enough  
Ultimate nihilistic love Tennessee nights just zip-code love  
Always believe the comfort of strangers  
Tennessee eyes graffiti once blue  
Media sells a trace of hate Our epitaph reads like your sin  
Subvert, destroy, beat derelict Tennessee nights just zip-code love  
Comanche becomes as maggot  
Tennessee eyes orange once blue  
Media sells a trace of hate His pain forgets her agony  
His heart P-M-are-see  
His heart P-M-are-see  
The white man is disease  
His heart P-M-are-see Your dream can never earn enough  
Ultimate nihilistic love
