

# Commandante

## K-OS

This is an ambush Yo looking at my watch it's about that time  
To ascend with this art of zen  
Another rhyme manifested in the physical miracl mc'in  
Leadin' to a revolution solution is seen  
The mind is a rotate so make no debate when I regulate  
All the generals will terminate  
Cause we cut and slice irrelevance to the bone  
And decapitate rappers that idolize Al Capone  
Or Jimmy Hopper, not a Hip-Hop copper  
Just a vigilante with a mic that'll shot ya  
Chopped the, beat up who then proceeded to rock the  
Bells livin quite wells til' we gotta hopped the  
Train raw like Big Daddy Cane 'cause I'm born on the same day as Kurt Cobain  
Rap Nirvana, call me the Beat piranha  
Without the drama, yeah[Chorus:]  
Don't let this wrongness revolution song  
Hoping the wind can blow your way for once  
A man is truly dead when confidante  
That's why we're all still waiting here so longAstrologically, I'm the water and a fish  
Made a wish now I'm a stone cold lyrical catalyst  
I don't eat fish, chicken or hamburger  
But I eat phony emcees on a hot plate  
God's great, magnificent and beneficent  
This is militant, in particular significant  
To the people, masses, lower classes  
Making the hardest of hard colloid look flaccid  
Contaminants with backstage laminates  
Unoriginal thoughts that why we stay atimate  
With frequencies that alter the mind-state  
Makin' time wait, holdin' us up for hostage  
I lost it, turned my back in '96 when they say complain the game  
I'm back in the mix, with a brand new bag of magic and pixie dust  
I love Hip-Hop, pray it never turns into lust, check it out[Chorus]Hey, hey, hey, ayee![Chorus]Commandante,  
come back home  
Commandante, come back home  
Commandante, come back home  
That's why we're all still waiting here so long
