Say Amen

The Manaraze Family

Weâ€™re all on a journey and weâ€™re called to walk by faith
There will always be the mountains and valleys in our way
But right here in this moments may our strength be renewed
As we recall what God has done and how weâ€™ve seen him move

(Chorus)
Is there anybody here whoâ€™s found Him faithful
Anybody here who knows Heâ€™s able
Say amen
Is there anybody here whoâ€™s seen his power
Anybody here brought through the fire
Say amen
Anyone here found joy in the midst of sorrow
Peace in the storm, hope for tomorrow
And youâ€™ve seen it time and time again
Just say amen

Sometimes through the darkness, it gets hard to see
But be bold and courages and follow where he leads
Greater is the one whoâ€™s in us, than he that is in the world
So child of God remember the battle is the Lordâ€™s

(Chorus)
Is there anybody here whoâ€™s found Him faithful
Anybody here who knows Heâ€™s able
Say amen
Is there anybody here whoâ€™s seen his power
Anybody here brought through the fire
Say amen
Anyone here found joy in the midst of sorrow
Peace in the storm, hope for tomorrow
And youâ€™ve seen it time and time again
Just say amen
Just stand and testify of the greatest of good in our lives

Is there anybody here whoâ€™s found Him faithful
Anybody here who knows Heâ€™s able
Say amen
Is there anybody here whoâ€™s seen his power
Anybody here brought through the fire

Say amen
Anyone here found joy in the midst of sorrow
Peace in the storm, hope for tomorrow
And youâ€™ve seen it time and time again
Just say amen
Just say amen
Just say amen
